

CONSPIRACIES PROJECT

We have all heard the urban legends and whispers around corners about the supposed actions of our government. Now, you get to choose one and explore in any format or medium you wish. Here are the parameters:

1. You may choose a conspiracy from the list below or if you have an idea for a different conspiracy, have it approved by me.
2. This project may be presented in poster, PowerPoint, Prezi, or video form.
3. Here is what I expect to hear in the information:
 - a. Historical background surrounding the theory. (ie: Your topic is “There was more than one shooter in Dallas, TX at the death of JFK”, you better tell us all about November 22, 1963 and what happened)
 - b. Explanation of the basis of the theory itself. (Who is behind it, when did the theory first arise, who are some of the major proponents of it)
 - c. Evidence that allegedly supports the theory (can you give sightings of UFO’s, alleged confessions to assassinations, scientific evidence that “what we are told happened could not have happened”?)
 - d. Visual/audio evidence with explanations (pictures, videos, sound files) – DO NOT LET THIS DOMINATE YOUR PRESENTATION
 - e. Your beliefs after studying this. Do you believe it? Is there a possibility? Do you think it is bunk?
4. You will have time in class to put this together, plus anytime you work outside of class on your own.

Here is a list of possible choices. If you would like to go off the list, just get it cleared through me!
